Volunteers In Prevention, Probation & Prisons, Inc.	Detroit	\$70,000
--	----------------	-----------------

Volunteers in Prevention, Probation & Prisons, Inc. will provide the Michigan Mentoring Initiative program to 100 youth from Detroit, ages 7-15, who have been identified as being at-risk for drug use and involvement with the criminal justice system due to having one or both parents in the Michigan Correctional System. In partnership with the Michigan Department of Corrections, and the Governor's Office of Community & Faith Based Initiatives, identified youth will be matched with an adult mentor who has been trained in drugs and violence prevention. The adult mentors will meet weekly with the youth for one full year. Youth will gain from their mentors a positive attitude to stay drug and violence free, remain in school, and live a healthier lifestyle. As part of the program, a Youth Development Component will be implemented in which children in the program, ages 14 and over, will be provided with a structured paid work experience.
